

Drawn Arc Insulation Pins

Advantages:

- high welding quality
- easy to weld
- quick mounting
- installable in all positions
- fire-resistant

Technical Data

Dimensions:

d = 2, 2,7, 3, 4, 5, 6mm
L = 20 – 600mm

other dimensions on request

Material:

- Steel copper plated steel (standard)
- Steel galvanized steel
- Aluminium
- Stainless steel (1.4301, 1.4571)
