

## Drawn Arc and CD Bimetal Insulation Pins

### Advantages:

- high welding quality
- easy to weld
- quick mounting
- installable in all positions
- fire-resistant

### Technical Data

#### Dimensions:

d = 3, 4, 5, 6mm

L = 25 – 300mm

other dimensions on request

#### Material:

- Steel copper plated steel (standard)
- Steel galvanized steel
- Aluminium
- Stainless steel (1.4301, 1.4571)  
AISI 304 / AISI 316Ti
